Project Works

I

- Title : MOBILE BASED ANTI THEFT
- Team size 04
- Role : Team Leader
- Duration : 4months (December - March) 2017
- Description : Anti Theft project is just like a tracker who will able to provide location details and other features when your android phone will be lost or will be stolen from your place.

II

- Title : BEST KEYWORD COVER SEARCH
- Teams size 04
- Role : Team Leader
- Duration : 5months (December – April) 2018
- Description : It is common that the objects in a spatial(e.g.,restaurents/hotels)are associated with keyword(s) to indicate their businesses/services/features. An intresting problem known as Closest Keywords search is to query objects called keyword cover, which together cover a set of query keywords and have the minimum inter-objects distance.
