## OBJECTIVE

To obtain a challenging and progressive career as a software engineer, where I can utilize my knowledge, creative thinking aid and skills to enhance the organization's success and to Learn, Contribute and Work as a team.

## ACADEMIC DETAILS

### Btech

| | |
|---|---|
| Institution | : Jawaharlal college of engineering and technology. |
| Year of Passing | : 2018 |
| Mark | : 7.1 |

### Higher secondary

| | |
|---|---|
| Institution | : Cherpulsery English Medium Central School |
| Year of Passing | : 2014 |
| Mark | : 81% |

### SSLC

| | |
|---|---|
| Institution | : Cherpulsery English Medium Central School |
| Year of Passing | : 2012 |
| Mark | : 86% |

## PROJECT DETAILS

| | | |
|---|---|---|
| **Title** | **:** | Hidden Ciphertext Policy Attribute Based Encryption |
| **Description** | **:** | The system is used to enhance the security of data using encryption and decryption techniques. The user first encrypts the data and then this data is embedded into another file and then send to the receiver. The file if hacked or interpreted by a third party user will open up in any file previewed but not displaying the data. At the receiving end, the receiver applies the proper reversal key and decrypt the file and then the data is retrieved from the file. The system provides security during transmission of data. |
| **Duration** | **:** | 1 year |
| **Role** | **:** | Computer engineering student |
| **Team Size** | **:** | 4 |

## FIELD OF INTERESTS

- Software engineering
- Web designing
- Information technology
- Web development
- Software development

## SKILLS

- Operating systems: Windows: XP/7
- Tools: Microsoft Excel, SQL, Net beans 7.2.1.
- Programming languages: PHP, HTML, CSS, JAVA, C.

## INDUSTRIAL EXPOSURE

***Industrial Visit at:***

- Precision at Hyderabad. Precision are supported by appropriate infrastructural unit that includes assorted subfunctional units like manufacturing, quality testing, research development, sales marketing etc. Precision hold expertise in manufacturing, exporting, trading and supplying an impeccable quality array of Induction Melting Furnace, Induction Furnace, Billet Heater, etc.
- UST Global at Cochin. It is a software development company with a focus on online customer support. The team at UST Global with its vast experience in mobile and cloud platforms, designs , builds and delivers superior solutions to businesses present across the globe.

***Inplant Training at:***

- Keltron, Trissur.

## CO-CURRICULAR ACTIVITIES

- University champions in calicut university interzone intercollegiate tug of war championship.

## STRENGTH

- Positive attitude
- Good teamplayer
- Self motivated
- Determined

## HOBBIES

- Dancing
- Reading books
- Travelling
- Listening to music

## DECLARATION

I hereby declare that the above mentioned details are true to the best of my knowledge.
